GLADSTONE'S COMMUNITY RADIO STATION

91.9 **F**Y**esh** FM

WHAT MAKES US DIFFERENT?

Our Vision

To provide quality positive messaging, to help build our community and celebrate "It's GOOD to be ALIVE!"

Our Story

Fresh FM was first established in Gladstone as a temporary broadcaster in 1993. A full time broadcasting license was issued and the station started broadcasting from its current location at 8 Uniting Place, Telina. In 2022, a whole new leadership team took on the station after some difficult years, and it's a brand new day to broadcast to the nearly 60,000 people of the Gladstone region!

Who We Are

Your Community Radio Station is a not-for-profit, aimed at serving our community and its interests. We broadcast content that is popular and relevant to our Gladstone Region community, to a specific audience that is often overlooked by commercial or mass-media broadcasters. Fresh FM has broad appeal; it is operated, owned, and influenced by the communities we serve.

Care, Connect, Serve & Build it's what we do...

ACHIEVING GREAT OUTCOMES TOGETHER

In 2021, after a series of leadership changes, Fresh FM approached YWAM Medical Ships and 99.9 Live FM about helping bring a new leadership team to Gladstone for a brand new season. Fresh FM's collaboration with YWAM has helped build up the station through:

Shared values

91.9 Fresh FM and YWAM Medical Ships shared motivation is to care, connect, serve and build the Gladstone region and build healthy lives, communities and nations. Both organisations value serving, strong relationships, generosity, cheering on local heroes, and sharing a positive message in the community that is life-giving and encouraging to individuals.

Training

YWAM Medical Ships Training's Certificate III in Screen and Media* enables YWAM Medical Ships and Fresh FM to provide students with an integrated, hands-on training program that is centred around maximising media as a tool to help build the Gladstone region.

Volunteers

Together with local volunteers, Fresh FM utilises YWAM Medical Ships strong team of young, passionate volunteers to assist with the station's daily operations, community events, and Outside Broadcasts.

Fresh FM and YWAM Medical Ships' collective 60 years of experience in serving the Gladstone region helps ensure that the station continues to remain strong in their objectives as a non-profit, community station.

CHRISTIAN RADIO LISTENERS

Religion: The majority of Australians in 2016 (60%) reported they had a religion. The most commonly reported religious affiliations were Christian denominations. However, the proportion of people reporting a Christian religion has decreased from almost three-quarters (74%) of Australians in 1991 to just over half in 2016 (52%). GET INVOLVED

Sponsorship

As a not-for-profit organisation, we are fully supported through our station sponsors and donors. Becoming a station sponsor means we'll promote your business or service to our listeners, while giving you the opportunity to invest into the local community.

Volunteer

We are exclusively operated by volunteers who are passionate about serving the Gladstone region. If you have experience in radio broadcasting, IT, announcing, journalism, sound production, or just want to connect with community in a new way - lets talk!

Training

Our facility offers the Cert. III in Screen and Media (CUA31020 RTO Number 30614). The course is an integrated, hands-on training program that is centred around utilising media as a tool to help build the Gladstone region.

Tune in!
